God's Word

God's Word changes lives. Quizzers not only memorize Scripture, which God uses to transform their hearts, but they also learn to work as a team, to relate to authority properly, and to handle success and failure in a godly way. The opportunity for positive fellowship results in deep relationships with other young people who love the Lord.

How & Why we began

Quizzing in St. Louis started in the early 1990's. Today we are a group of families from various churches and locations who love encouraging our children to memorize God's Word.

- Emphasis on Unity and Integrity
- Create Lasting Friendships

Families can Participate Together

Since elementary through high school age kids quiz together, it is a great fit for many who would like an activity in which their entire family can participate together.

How it Works

Students memorize portions of Scripture from a rotation of New Testament Books (ESV version) and then compete for individual and team points. In addition to local competitions, STLQB competes at Regional and National Tournaments within a larger, national quizzing community. The annual National Bible Quiz Tournament is held each April and is attended by over 500 students from all parts of the United States.

When and Where

STLQB practices in the fall on one Monday night and one Saturday afternoon a month. In the Spring, those students that would like to continue quizzing practice two Monday nights and two Saturday afternoons a month, with travel to weekend regional tournaments in Iowa and Kansas City.

Local Quizzes are held at Grace Community Chapel in St. Peters, Missouri

A four-day National Tournament is held in a different city each year near the end of April. Parents are always welcome and encouraged to attend and travel with the teams to the Regional and National Tournaments.

Where Do I Start

We have a free, two-day Quiz Camp (*not overnight*) each summer to give interested families a taste of what quizzing is all about. It is a great way to learn if it would be a good fit for your family!
